

CMI Scholarship Requirements

CAYM offers a 50% scholarship to our Christian Mentoring Institute two-day training to churches or ministries who have taken the following steps:

- Your ministry is a member of CAYM
- Their church leadership or Executive Director has made a commitment to mentoring ministry. This would include a statement by the head pastor or Executive Director that they have made the financial and strategic commitment to start and maintain a mentoring ministry.
- They can demonstrate funding to sustain the ministry. This could include a budget item, grant or commitment of financial donors.
- They have built a ministry team as outlined in our "First Steps" booklet. (Can be downloaded from the website)
- At least two team members will attend the training.
- They have a partnership with local institutions (or within the church) that will refer youth to be matched with mentors.
